

Newsletter 04 - da'Worm & Co.

Greetings, good news casting has been completed and nearly 70 pounds of Wormy miniatures are making their way from the Midwest to my home address here in California. Once that delivery is received I will begin packing in earnest.

I estimate our first shipments will be posted the week of Oct 28. As packages begin shipping I will provide each of you your tracking number via e-mail.

In other news over 80% of our invoices have been paid. UK and Canada invoices were delivered this evening. If you haven't been able to locate your invoice from my PayPal address aronbc@yahoo.com please reply to this e-mail and we can work out the details together.

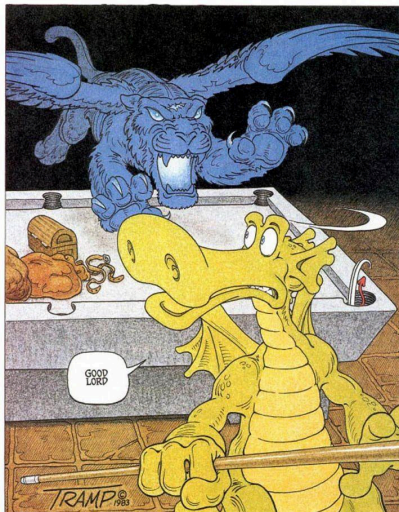

We've had an increase of 122% in responses to our polling for our next set, with a reasonable turnout of 31%. If you'd still like to contribute to this poll please visit: <https://forms.gle/7ubD15rUtaHo8uP87>
